FOOD & BEVERAGE

TEMPERO

Tempero is a vibrant Latin eatery born from Chef Fabio Bernardini's lifelong passion for food and hospitality, brought to fruition alongside his partner in life and business, Tiffany Low. Every dish is made with quality seasonal produce, inspired by tradition, and elevated through a modern lens. With a strong commitment to pairing exceptional food with impeccable service, Tempéro offers an inclusive and welcoming experience for all, serving as a celebration of culture, community, and connection.

AREPA

NON-ALCOHOLIC BEVERAGES

We have teamed up with Arepa to bring you the best in brain beverage. When your brain works better, you work better. You're calmer, clearer, faster, more productive, happier, more optimistic, and even more attractive. You might not know it, but you're not a slave to the state of your brain. Like anything in your body, you can make it better. At Arepa, everything they do is for brains – from the scientifically proven brain nutrition, to our mission to teach people more about their brain and how to treat it right, they work to make brains work better.
